8. Where can you go with respect to questions regarding the protection of personal data?

1. Why and how do We collect personal data?

During your visit to this Website We may collect data of an impersonal nature, mainly through the use of cookies. A cookie is a small text file which a server can place on the hard drive of a user's computer. It contains information about the relevant visitor's visit to this Website. Cookies can be used to collect specific information during a visitor's visit to this Website. This information can help us to ensure that this Website and our services more closely accommodate the requirements and preferences of the users of this Website. You may configure your internet browser to notify you each time a new cookie is about to be stored on your computer so that you may decide whether to accept or reject it. Please refer to your internet browser's help section for specific instructions. Please note that some parts of this Website may not function properly if you reject cookies.

We only collect personal data, which is provided on a voluntary basis when an online form is completed and sent, or when an e-mail message is transmitted for you to us. The types of personal information we collect may include:

- your name
- your email address
- your country
- Your questions and/or requests to us

Where We collect data from you, e.g. through an online form or by similar measures, We will inform you of the intended use of such data and we will request your consent to the use of your personal data if required by applicable law. We may use this data for the following purposes:

- to register you as visitor of our Website in our systems
- to process questions and remarks send by you and received by us via the Website
- to send you marketing communications by email, only in the event that you have given us your prior consent there for.

If you, after submitting personal data to us, wish us to cease using it for the purposes of sending you direct marketing material, you can notify us thereof by sending an email to sales@cargonaut.nl and/or marketing@traxon.com.

2. To whom may We provide personal data?

From time to time the personal data you have provided to us, may be shared with our service providers who provide support with respect to the maintenance and the management of the Website. These services providers may only use the personal data for the provision of services to us and only in accordance with our instructions. We will diligently choose and control such service providers.

Furthermore, We undertake not to communicate your personal data to any other party without your prior consent, unless it is required to do so in accordance with any provision of the law or a court judgment.

3. Are We responsible for other websites?

The Website may contain references (such as hyperlinks, banners or buttons) to other websites. This does not mean that We are related to these other websites or the owners thereof. We are therefore not responsible for the compliance with the privacy legislation by these third parties.

4. How is the personal data secured?

We ensure that adequate technical and organizational measures are taken to secure your personal data against loss or any unlawful processing.

The Website is hosted by Mittwald CM Service GmbH & Co. KG
Königsberger Straße 6, 32339 Espelkamp on behalf of b cond GmbH - marketing consulting
Luppenstrasse 4, 04177 Leipzig www.bcond.com and is contractually obliged to process your personal data properly by, amongst other things, implement sufficient security measures and processing the personal data only in accordance with our instructions.

5. How long is the personal data retained?

We will keep your personal data for as long as necessary for the purposes for which it was collected, to provide you with services and to conduct our legitimate business interest or where otherwise required by law.

6. Which rights do you have?

Under the terms of the applicable data protection rules and legislation you are entitled to inspect/access and, if necessary, correct and/or delete any personal data concerning you. Furthermore, you are entitled to object to the use of your data for direct marketing purposes at any time. To this end you may address a request for such inspection/access, correction, deletion and/or objection to Cargonaut and/or TRAXON Europe at the following addresses: **Cargonaut International B.V.**, Flamingoweg 54, 1118 EG Schiphol, The Netherlands respectively **TRAXON Europe** - Global Logistics System Europe Company for Cargo Information Services GmbH, Lyoner Strasse 36, 60528 Frankfurt am Main, Germany or by e-mail at the following addresses: sales@cargonaut.nl, respectively marketing@traxon.com.

8. Where can you go with respect to questions regarding the protection of personal data?
